# **Trainer's Profile**

The trainer was Deputy Director of Institutional Equities Department of an Investment Bank. He has more than 23 years' experience in the securities industry. He has an in-depth knowledge of the mechanics of market movements and technical reading where he has helped local fund managers to design a portfolio strategy based on fundamental and technical analysis.

He writes an unpublished Global Market Moving Events report for Traders and institutional clients on a weekly basis. This report highlights important events globally particularly in US and Europe, that may cause volatility in our local stock market. He has written many reports covering topics such as the impact of foreign exchange movement on equity markets, central bankers' monetary policy, commodities market and many more to assist his clients in their strategies.

The trainer is the champion of PNB Investment Game in 2004 and a 2<sup>nd</sup> runner up in PNB World Investment Challenge 2005. His expertise in analytical skills and interpretation of market movement has enabled him to have a following among the fund managers in his write-ups.
