*Symphony Digest Sdn. Bhd. is
an official training partner of
Bond Pricing Agency Malaysia
Sdn. Bhd.*

The financial industry is going through a vibrant change with rapid advancements in technology. Bursa and the Securities Commission have taken the lead with the launch of the regulatory sandbox for fintech services. This training will touch on the intricacies of such changes, the new financial revolution caused by technological disruption and how people can adapt their work to this change. Participants will also be exposed on how existing investments will continue to be important in this new era.
