Trainer's Profile

The trainer has over 21 years of extensive experience working in the banking, securities and derivatives markets. He joined Bursa Malaysia Berhad in 2002 as the Senior Manager of Risk Management. He served as the Head of Department for 5 different portfolio which include investor education, financial derivatives product development, business development, risk management and equity surveillance in regulation division.

Currently, his core functions include conducting investment seminar to university students who visit Bursa, setting up investor clubs in university, developing investor education materials in the form of comics and videos, and managing Bursa investor education seminars/workshops to the general public.

Prior to joining Bursa, he worked in Treasury dealer/trader in two local and foreign banks for 9 years. His work experiences include money market, fixed income securities, foreign currency, swaps, forwards, futures and options. He has received his Master of Science, Finance from RMIT University, Australia in 2007 and a B.S. in Business Administration from the California State University, Fresno in 1993. He obtained the Certified Financial Risk Manager (FRM) from US in 2003. He also passed MFORR - the Malaysia Futures and Option Registered Representative qualification in 1995.
