RELIVING MALAYSIA'S PAST FINANCIAL CRISES AND HOW IT SHAPED THE COUNTRY

“ Explore the pivotal financial crises that have shaped Malaysia and the global economy, from the 1980s crash to the Asian Financial Crisis, the Global Financial Crisis, and the pandemic-induced recession. This course provides a deep dive into the causes, evolution, and impacts of these tumultuous events, equipping you with the tools to understand and anticipate future economic challenges. “

“ With a focus on the economic, social, and political fallout, participants will gain critical insights into the role of financial regulation, policy responses, and the early warning signs of financial turmoil. By the end, you'll be empowered to navigate the complexities of a volatile global economy and proactively prepare for uncertainties ahead. “
