TRAINING**

This AML/CFT/CPF training programme is designed to equip banking staff with in-depth knowledge and strategic competencies in managing complex risks related to Money Laundering (ML), Terrorism Financing (TF) and Proliferation Financing (PF). The programme explores advanced compliance responsibilities including the effective implementation of the ML/TF/PF typologies, Risk-Based Approach (RBA), Enhanced Customer Due Diligence (EDD) and end-to-end compliance with Targeted Financial Sanctions (TFS). Participants will analyse emerging typologies and red flags, apply advanced risk controls and assess enforcement actions and supervisory expectations. Real-world case studies and regulatory findings will be used to enhance judgment, sharpen investigative approaches, and improve institutional response frameworks.
