Proteges at site, chasing deadlines or Protege's contract ending soon?

SOLUTION

Doshu – learn via videos anytime over 7 days, whether during break or at home. Pause, rewind and resume.

What they say:

"The modules are well designed, the teaching approach is clear and effective, and overall the Doshu e-learning experience is excellent"

"The system is easy to use, and the flexible training allows learners to pause and continue while managing other work"
